Important Dates

GRS Speaker Abstract Deadline	April 7, 2024
GRS Application Deadline	June 15, 2024
GRC Application Deadline	June 16, 2024

Holderness School,
33 Chapel Lane,
Holderness, NH
USA

Session Topics:

Dense Matter out of Equilibrium

Planets and Astrophysics

New Experimental Probes

Life and Technology at Pressure

The Deep Earth

Hydrides and Light Elements

Controlling Chemistry at High Pressure

Extreme Synthesis and Characterization

Theoretical and Computational Methods for Dynamical Dense Matter

Organizing Committee:

Chris Pickard
GRC Chair

Timothy Strobel
GRC Vice-Chair

Siliva Pandolfi
GRS chair

Jasmine Hinton
GRS Vice-Chair
