

Geological Society of America Connects 2026

Submit your abstract to our session!

Happy 323 Millionth Birthday, Pennsylvanian Period: A Celebration of Everything Pennsylvania(n)

We're celebrating the birthday (within error) of the Pennsylvanian Period! This session welcomes global contributions that focus on either the Pennsylvanian Period or work focused with Pennsylvania, USA, regardless of geologic age.

If you have any questions, please reach out to Adam Ianno at aianno@pa.gov

Abstract submissions are due **August 6, 2026**.
